

Chaperone Tip Sheet

*A few tips to
help make your day
successful:*

Thank you for taking time out of your busy schedule to visit the Don Harrington Discovery Center.

Your role is crucial in your students' safety and educational experience.

- Look for Science Guides in the exhibit galleries. They have creative ways to make your students' visit even more fun and educational.
- Please stay with your students at all times. Remind them that they will see more if they walk from one area to the next.
- Bathrooms are located the middle of the Center at the front and the back of the building.
- In the case of a first-aid emergency or a lost student, contact the nearest staff or come to the admission desk. In the event of severe weather, follow staff instructions.
- Tiny Town is designed and developed specifically for children 1st grade and younger. Please help us keep this area safe for our younger visitors.
- We welcome your students in the DHDC Gift Shop. We request one chaperone for every 5 students while they are shopping. Please help us by having your students keep their purchases and receipts in their bags until they return to the bus.

Our staff is here to support you.

*If you have any other questions
or concerns, please do not
hesitate to ask for assistance*
